Notice regarding the binding of VOLUME 57 (1964)

Proceedings of the Royal Society of Medicine

The 'Proceedings' may be bound complete (without advertisements), or any Section or Sections may be bound separately.

If the whole 'Proceedings' are bound in one volume, the Title Page and Summary of Contents should be bound at the beginning and the Index at the end.

If less than the whole volume but more than one Section is bound, the serial pagination of the whole volume should be followed, otherwise use of the Index will not be possible.

BOUND VOLUME

For complete binding, the monthly parts (with the title-page, contents, and index) may be sent to STAPLES PRINTERS LIMITED, who will bind and return

- (1) The whole in one cover, 37s 6d Carriage extra
- (2) Any single Section, 27s 6d Carriage extra

BINDING CASE

- (1) For the whole 'Proceedings' in one cover, 17s 6d Postage extra
- (2) For separate Sections, 14s 6d each Postage extra

On application to:

STAPLES PRINTERS LIMITED
69-85 TABERNACLE STREET
LONDON EC2

NOTE: *In the case of Sectional binding, please do not tear the pages from the 'Proceedings' as this makes binding difficult. The complete copies of the 'Proceedings' in which the Section appears should be sent together with information as to whether the remainder of the books are to be returned after removal of the Section/Sections.*

When forwarding copies for binding please enclose an order stating clearly the name and address of sender.

The University of the South Pacific

The University of the South Pacific (USP) is a multi-campus institution serving the Pacific region. It was established in 1968 and has since grown to become a leading provider of higher education in the Pacific Islands. The university is committed to providing quality education and research that addresses the needs of the Pacific people.

USP has a diverse range of programs and courses offered across its various campuses. These include undergraduate and postgraduate degrees in fields such as Business, Education, Health Sciences, Law, and the Arts. The university also offers a range of short courses and certificates.

USP is a member of the Association of Pacific Rim Universities (APRU) and is committed to international collaboration and research. The university also has a strong focus on community service and outreach.
